

Sprint 2 Report: The Starving Slug 2/20/2018

- Actions to stop doing:
 - The team has been keeping each other posted on what's going on, so we don't see any actions that we need to stop doing. The sprint 2 week has been hectic for some of the members so we were not able to finish all of our committed tasks, but that was beyond their control.
- Actions to start doing:
 - Have scheduled coding session more often.
 - Draw out designs for pages that we need done.
 - Make an an updated layout of the UI
- Actions to keep doing:
 - The team should keep team members posted on what you're doing through Slack. This gives an idea on how much work everyone has done.
- Work completed:
 - Host front-end by using AWS
 - Pointed our domain name to the website.
 - Integrate Google Identity for signing in
 - Retrieve user info from the database
 - "Upload Recipe" form
- Work not completed:
 - Recipe search system
 - Search page
- Work completion rate:
 - Total number of user stories completed: 2
 - Total number of estimated ideal work hours: 30
 - Total number of days during the sprint: 14
